Client Connection

Meet Nova! A rescue champion and pet sitting client since 2021.

Found abandoned and pregnant, Nova gave birth to 10!!! puppies. Within one day of fostering, Nova's sweet and loving personality won over her amazing foster mom. They made it official soon after that.

Nova's favorite thing to do at home is go on walks and play with toys. She is the snuggliest, smartest, and most loving dog her mom has ever known (and she's a vet so she's met a bunch!)

What Sets Us Apart

We're often asked what sets us apart from the competition. We think the answer can be summed up in one word: **Relationship.**

We know and love your pets.

- Our groomers know and love your pets.
- Some of our pet sitters are also our pooper-scooper technicians who know and love your pets.
- Our trainers also help out as pet sitters.

She also loves to add a little bit of flair to her grooms - ask her to dye your pups coat or paint those nails!
